# Vector Lyapunov Functions And Stability Analysis Of Nonlinear Systems 1st Edition

**a globally asymptotically stable polynomial vector field ...** - mial lyapunov functions can happen for extremely simple systems that may very well appear in applications. as we remarked earlier, it is known that locally expo-nentially stable polynomial vector elds admit polynomial lyapunov functions on compact sets [3]. the example in [9] implies that the assumption of exponential stability indeed cannot be dropped. 7580. title: a globally asymptotically ... **global stabilization of nonlinear systems based on vector ...** - 1 global stabilization of nonlinear systems based on vector control lyapunov functions iasson karafyllis\* and zhong-ping jiang\*\* \*dept. of environmental eng., technical university of crete, **stability and control of power systems using vector ...** - stability and control of power systems using vector lyapunov functions and sum-of-squares methods\* soumya kundu1 and marian anghel2 abstract—recently, sum-of-squares (sos) based methods **vector lyapunov functions and stability analysis of ...** - vector lyapunov functions and stability analysis of nonlinear systems by v. lakshmikantham florida instittlte of technology, department of applied mathematics, **vector lyapunov functions and stability analysis of ...** - international journal of robust and nonlinear control, vol. 5, 67-69 (1995) book reviews vector lyapunov functions and stabillty analysis of nonlinear systems, v. lakshmik- **vector lyapunov functions and the technique in ...** - vector lyapunov functions 563 which is the usual definition of a generalized derivative of the lyapunov function relative to the system (2.2). **vector-lyapunov-function-based input-to-state stability of ...** - ren and xiong: vector-lyapunov-function-based iss of stochastic impulsive switched time-delay systems 655 vector lyapunov functions have many advantages. **a globally asymptotically stable polynomial vector field ...** - a globally asymptotically stable polynomial vector field with no polynomial lyapunov function amir ali ahmadi, miroslav krstic, and pablo a. parrilo **vector lyapunov functions for stability and stabilization ...** - vector lyapunov functions for stability and stabilization of differential repetitive processes 1 k. galkowski a , m. a. emelianov b , p. v. pakshin b , and e. rogers c **a vector lyapunov function characterization of input-to ...** - the construction of a family of control lyapunov functions for the chemostat that can be used for various control purposes (e.g. sampled-data stabilization of the chemostat, robustness analysis **2550 ieee transactions on automatic control, vol. 58, no ...** - 2550 ieee transactions on automatic control, vol. 58, no. 10, october 2013 global stabilization of nonlinear systems based on vector control lyapunov functions **stability analysis for impulsive systems: 2d vector ...** - the use of vector lyapunov functions offers a more flexible framework since each component of the vector lyapunov function can satisfy less rigid requirements as compared to a single lyapunov function. the main result of this work contributes to the development of a new theoretical framework for the stability analysis of impulsive dynamical systems. the proposed method is based on a vector ... **finite-time stabilization of nonlinear dynamical systems ...** - journal of the franklin institute 345 (2008) 819-837 finite-time stabilization of nonlinear dynamical systems via control vector lyapunov functions\$
